RESIDENTIAL CAMP

June 24-28, 2012—Ages 12 thru 18.

This premier camp has been a tremendous success. This camp will feature the phenomenal facilities of MidAmerica Nazarene University at a fraction of the price of most residential camps. Coach Wardlaw has run residential camps all over the country and will bring that extensive experience to MNU for an incredible week of training. The Advanced Camp offers an intensive, accelerated school for the advanced player. The curriculum is designed to provide advanced players and teams with the competitive edge heading into their club and high school seasons. The advanced camp will be an intensive training environment similar to a college pre-season program. Evening small sided games will give the advanced player the opportunity to apply the new skills into game situations. The camp is designed to give the serious player a chance to learn and develop while enjoying a great camp "experience." **Teams of 8 or more will receive a group discount of \$20 per player. Teams of 12 or more will receive a group discount of \$30 per player.** Smaller teams can add guest players in order to receive the discount.
